-Format Options-

-Scramble-

Our most enjoyable and popular format, where only the good shots are played, and the pace is relatively fast.

All players tee off, the best shot is selected, and all players play their next shot from this point.

This process is repeated until the ball is “holed out”. The team records a score.

Gross scores are used, and handicaps are not recommended. This format promotes team camaraderie.

-Best Ball-

Played in two, three, or four-person teams, players play their own ball on each hole. The lowest team member’s score on each hole is recorded as the team score. This format may be played with or without a handicap and is played at a medium pace.

-Low Net Foursomes-

The total score of one foursome, less handicaps, determines the winner.

Allow for longer playing time due to all players completing on every hole.

-Individual Stroke Play-

Players play their own ball and count every stroke. A handicap may be deducted to determine a net winner.

Allow for longer playing times due to all players completing on every hole.
