

Dear Prospective Member:

It is our pleasure to welcome you to Tempest Golf Club, a beautiful transition golf course brought to life by Arlington, Texas-based golf architect Jeffrey D. Brauer. Tempest Golf Club takes advantage of dramatic Piney Woods topography with its dramatic rise and fall of almost 200 feet, incredible core golf vistas across as many as five holes in the routing's lower confines, and a pair of holes that play across a four-acre freshwater lake. Tempest Golf Club Owner, Mr. Joe Bruno has spared no expense giving us everything needed but the canvas itself just needed to be brought forward with a playable routing," Brauer added. "Mr. Bruno's architectural projects have won awards – he understands good design, and he is known for demanding the very best, which set the tone for the project.

It will be easy for golfers playing Tempest Golf Club to believe they are in the rolling hills of North Carolina rather than a short drive from one of America's major metropolitan areas. Brauer has created a fun, challenging and interesting golf course, but here he was given a great canvas and has brought out the best of it.

Tempest Golf Club has created a place for all to call home and as a member enjoy an award-winning golf course that includes the following amenities:
